LET'S GO!

The Long Beach Symphony is pleased to present **Ensembles in the Elementary Schools**. This curriculum-based program offers live, close-up encounters with professional musicians in small string, woodwind, brass or percussion groups. The ensembles blend music and audience participation to introduce the instruments and music of the symphony orchestra. During January and February, a 40-minute assembly featuring one of the ensembles from the Long Beach Symphony will be presented at your school.

Take a moment to look through the suggestions below. With just a little planning, they can fit into even the busiest schedule and will help your students gain the most from the ensemble visit!

RIGHT AWAY

- ♪ Check the schedule on the last page of this guide. Note the date, the time and which ensemble will be visiting your school this year. **Mark the ensemble visit on your classroom calendar.**

WHEN YOU HAVE 10 OR 15 MINUTES

- ♪ Use the section "**Making the Connection**" on the next page as a resource for planning your own custom-designed lessons and activities based on the *California Visual and Performing Arts Content Standards* and *The Music Connection*, the district's music textbook series.
- ♪ Invite a student from your school's band or orchestra to visit your class to talk about his or her instrument and to demonstrate how sounds are made. Encourage your students to ask questions.

THE DAY BEFORE THE ASSEMBLY

- ♪ Talk about concert etiquette -- listen politely, respect your neighbors, clap to show your appreciation.

ON THE DAY OF THE ENSEMBLE VISIT

- ♪ **Check the schedule! Be sure your class is seated and ready so the program can begin on time -- you won't want to miss any of the performance!**

AFTER THE ENSEMBLE VISIT

- ♪ Have your students write letters to the ensemble. You can send your letters to the LBUSD Visual & Performing Arts Office (c/o James Petri) or directly to the musicians at the following address:
Long Beach Symphony
249 E. Ocean Blvd., Suite 200
Long Beach, CA 90802
- ♪ Have your students draw a picture about the ensemble visit. Use the picture as the cover for a booklet that includes a list of new vocabulary words learned.
- ♪ Please fill out the **Evaluation Form** on page 12 of this guide. Send it, along with your students' letters, to the LBUSD Visual & Performing Arts Office or go directly to the Long Beach Symphony at www.longbeachsymphony.org (Community & Education/Education Resources for Teachers/Elementary Ensemble Teacher Survey). Your suggestions are appreciated and helpful in planning future programs.

MAKING THE CONNECTION WITH THE CONTENT STANDARDS

The *Visual and Performing Arts Content Standards for California Public Schools** define what all students should know and be able to do in the arts (music, dance, theatre arts and visual arts). Arts education, as part of the core curriculum, cultivates the whole child, gradually building many kinds of literacy while developing intuition, imagination and dexterity into unique forms of expression and communication. It is the school district's belief that every child should have access to a balanced, comprehensive and sequential program of study in the arts, and that every child should experience the power and beauty of the arts and the joy, creativity, and intellectual stimulation that arts education programs provide.

The Component Strands for Music for Grades K-5 consist of:

- 1.0 ARTISTIC PERCEPTION - Processing, Analyzing, and Responding to Sensory Information Through the Language and Skills Unique to Music
- 2.0 CREATIVE EXPRESSION - Creating, Performing, and Participating in Music
- 3.0 HISTORICAL AND CULTURAL CONTEXT - Understanding the Historical Contributions and Cultural Dimensions of Music
- 4.0 AESTHETIC VALUING - Responding to, Analyzing, and Making Judgments About Works of Music
- 5.0 CONNECTIONS, RELATIONSHIPS, APPLICATIONS - Connecting and Applying What Is Learned in Music to Learning in Other Art Forms and Subject Areas and to Careers

The Long Beach Symphony's **Ensembles in the Elementary Schools** program is specifically designed to enhance student learning related to the following Music Content Standards, by giving students an opportunity to:

- Identify visually and aurally individual wind, string, brass or percussion instruments used in a variety of music (Grade 2 - Standard 1.5; Grade 3 - Standard 1.4).
- Describe the way in which sound is produced on various instruments (Grade 3 - Standard 1.5).
- Respond to a live performance with appropriate audience behavior (Grade 2 - Standard 4.4).
- Identify and discuss who composes and performs music (Gr. 2 - Standard 5.2; Gr. 3 - Standard 5.2).

* For links to the California Visual and Performing Arts Framework and the Content Standards, visit the California Department of Education web site at www.cde.ca.gov/ci/vp/cf/.

. . . WITH THE MUSIC TEXTBOOK SERIES

rhythm	The combination of long and short, even or uneven sounds conveying a sense of movement
tempo	The pace at which music moves according to the speed of the underlying beat

THE LONG BEACH SYMPHONY ENSEMBLES

One of these special ensembles will be visiting your school.

STRING QUARTET (2 Violins, Viola, Cello)

Ensemble Leader - Cindy Moussas

In an interactive and fun manner, the string quartet introduces the instruments of the string family. Through games, children learn how music can express emotions, how to follow a melody as it moves from instrument to instrument, and how musicians follow a conductor.

Ensemble Leader - Julie Metz

Musical selections by famous composers help introduce the students to the violin, viola and cello. Lots of audience participation adds to an engaging performance that features the music of Antonio Vivaldi, Johann Sebastian Bach, Leroy Anderson and Scott Joplin.

WOODWIND QUINTET (Flute, Oboe, Clarinet, French Horn, Bassoon)

Ensemble Leader - Joe Stone

Music Tells a Story

The quintet presents a lively interactive concert experience demonstrating the woodwind instruments of the orchestra and the characters they portray in musical storytelling. Lots of audience participation with favorite popular and classical repertoire.

BRASS QUINTET (2 Trumpets, French Horn, Trombone, Tuba)

Ensemble Leader - Marissa Benedict

The way sounds are produced on the trumpet, French horn, trombone and tuba is explained. Each brass instrument is then featured in a solo, helping students develop an awareness of the unique sounds of the individual instruments.

PERCUSSION ENSEMBLE (Percussion Instruments and Narrator)

Ensemble Leader - Gary Long

This exciting program explores the percussion family of instruments. Students are introduced to a wide variety of percussion instruments and learn about the important role of rhythm in music. The presentation also demonstrates how the percussion instruments help paint musical pictures in several compositions by well-known composers.
