DRIVE CHANGE ON AND OFF THE COURSE

BUSINESS

By sponsoring the Long Beach Symphony Golf Classic, you join business leaders for a day on the course while directly funding music education programs for Long Beach students. From in-school concerts to hands on STEAM programs, your support reaches tens of thousands of children each year, many from underserved communities who would not otherwise experience the arts.

COMMUNITY

Your sponsorship drives a stronger community, builds future leaders, and partners your company with one of Southern California's most respected cultural institutions.

YOUR IMPACT

INVESTING IN STEAM EDUCATION

Each year, Long Beach Symphony introduces more than **27,000 local students** to orchestral music. This exposure tees up creativity, collaboration, and critical thinking skills that strengthen their foundation in STEAM learning.

REACHING UNDERSERVED COMMUNITIES

Your sponsorship provides students from diverse and underserved neighborhoods with access to the arts during their formative years, opening fairways to opportunities.

BUILDING THE NEXT GENERATION

With nearly one million children served to date, Long Beach Symphony is shaping future innovators, leaders, and lifelong music lovers. Your support sets the course for the next generation.

BY THE NUMBERS

1 MILLION+
